Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 Investing for Success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:
- Provide targeted intervention for students in years 3 and 5 semester one, and years 2 and 4 semester two linked to Explicit Instruction and embedding the “Cafe Model” in daily Reading and Maths Groups (small group differentiated approach).
- Utilise Fountas & Pinnell reading benchmark system to track reading performance across the whole school.
- Conduct regular meetings with Teachers, Principal and Curriculum Coach to:
  Review and analyse student data in Reading and Numeracy to inform differentiation and the next step in the teaching and learning cycle

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 Investing for Success agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:
- Review teaching strategies, intervention and programs to align with current student data.
